Product Description

MCustom Logo Hard EVA Shell Business Backpack Waterproof School Travel Laptop Backpack

1. Product Description

This laptop backpack is perfect for daily use. Made of Water Resistant and Durable Polyester Fabric with metal zippers. The large backpack owns hard outside shell and one separate laptop compartment fits 13.3-15.6 inch laptops, one main compartment roomy for daily necessities, such as clothes, notebooks, portable charger, etc. The front compartment has many small pockets, as well as pen pockets and a keychain design to keep your things organized and easier to find. This backpack has many pockets to make your life more organized.

- Meet Daily Needs - L M S , three sizes backpack, fits some 15.6" screens, most 16" screens, all 15.6" screens. Inside, there are multiple storage pockets to keep things organized. The outer waterproof hard case and anti-theft custom lock protects the precious items inside. (Note: computer compartment size is 16.14 x 10.43 x 1.18 inch. For gaming computers, be careful not to exceed the dimensions of the computer compartment.)
- Classic Backpack Material - Front PC&ABS hardshell is waterproof and scratch-resistant. Back shock-absorbing pearl cotton helps to relieve the pressure on your shoulders and stay comfortable. The polyester lining is durable and soft, both preventing the fabric from fraying and protecting your computer from scratches. And together they protect your computer from accidents and drops.
- Convenient USB Port - A type-A and a type-C, two different usb charging ports to meet your different needs. By using it, you can quickly charge your phone and other devices on the go. And you don't have to worry about connecting multiple mobile devices with different interface types.
- Facilitate Business Travel - The 180-degree opening of the backpack allows you to quickly pass through TSA security checkpoints. And a customs code lock keep your luggage safe when you briefly leave the pack during your trip.
- After-Sales Service - We are committed to providing each customer with the highest standard of customer service and top quality goods, if you are not satisfied with our product or service for any reason, please feel free to contact us by email.

Pickup fabric and color swatch

Technical drawing of a bag with dimensions and a hand-drawn sketch of a bag with a hand pointing to it.

A semi-circular color calibration chart, often called a Munsell Color Services Lab chart, is shown. It features a wide range of color patches arranged in a fan shape, covering the visible spectrum from reds and oranges to blues and greens. A color calibration target, which includes a series of color bars and a grayscale step wedge, is placed over the center of the chart.

A collage of various colored and textured fabrics. The top row shows smooth, solid-colored fabrics in shades of yellow, orange, red, pink, and blue. The middle row features a variety of woven and knitted textures in colors like red, orange, grey, and green. The bottom row includes smooth fabrics in shades of green, pink, and blue, as well as textured fabrics in grey and brown.
