Our backpack features a spacious capacity with a reasonable partition, including a padded notebook/tablet compartment for 16" laptop and 12.9" iPad, a wet layer design in main compartment for storing toiletries and wet items, and multifunctional storage bags outside to store sunglasses, tissue, keys, wallet, magazines, books, notes, pens, snacks etc..

Be Briefcase/ Handbag/Backpack

This backpack designed with hiding shoulder straps which can be easily stored away in zippered back panel, transforming backpack to briefcase. Luggage Strap provides a more flexible carrying experience.

Back breathable sponge and sturdy zipper

Unlike other products, our back uses a lightweight breathable sponge, ensuring you will be relieved without causing stuffy. The backpack is made of premium materials, and our zippers have been test thousands of times to ensure they will not be damaged during use.

Cleaning Method & Multiple Usages

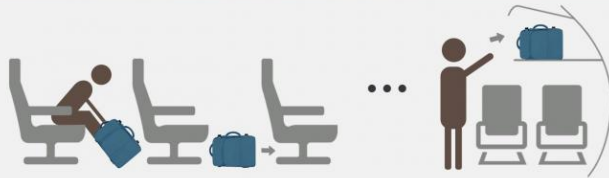

To extend the life of the backpack, we recommend that the backpack be washed by hand rather than by machine, ensuring it remains in top condition for years to come.
