Product Description

Carry on Backpack For Women

Travel backpack for women airline approved that can be carried in flight, it saves you a fortune on checked fees and is perfect for traveling or on business trips under the seat on the plane.

Roomy Capacity Travel Backpack

Two main pockets for women's personal items, clothes and more; keep your items organized and easier to find. Two laptop compartments for a 13-inch ipad and a 15.6-inch laptop. the casual backpack is also designed with a waterproof wet bag and a separate shoe compartment, the wet bag is made of high-density waterproof material to help you separate wet and dry items, and the separate shoe compartment can help you better carry your shoes

Our Product

Anti-theft Multifunctional Backpack

With trolley sleeves, the backpack can be slipped on the drawbar for easy portability. There is a hidden anti-theft pocket on the back to protect your valuables from theft. Perfect as an everyday backpack, laptop backpack and casual backpack for weekend getaway trips.

Laptop backpack USB interface

With external built-in USB charger and internal built-in charging cable, this USB backpack provides you a more convenient way to charge your phone, ipad and laptop. Please note that this backpack does not include the power bank itself, the USB charging port only provides convenient charging.

Multipurpose Backpack

The backpack can be freely expanded 180 degrees, perfect for indoor/outdoor activities. It also works as a large laptop backpack, you can use it anywhere for international travel, camping, excursions, and overnight stays.

USB CHARGING PORT

Power bank is not included
